EMERSON & SON, MILFORD, N. H.

IT is with great pleasure that we present this, our Fourth Annual Catalogue, to our many customers. Our constantly increasing trade leads us to believe that our efforts to serve the public have been appreciated, and that by courteous treatment and fair dealing we shall still merit their good will.

This season we have taken more pains than ever before in selecting our stock, visiting many of the largest manufacturers, selecting only the most desirable from the leading and finest lines in the country. Our stock will surpass anything we have ever before shown, and with our reputation for low prices, believe that we can please the most critical and economical buyers.

A cordial invitation is extended to all to call and inspect our New Spring Offerings, which for elegance, style and durability we believe will be hard to equal.

For those who do not have the ready cash our terms are most liberal, and many a home has been elegantly furnished by us on easy terms, and you make a mistake if you buy anything in the way of Furniture, Carpets, Draperies or Window Shades, before ascertaining the extraordinary inducements we are now offering. We pack and deliver free to any Railroad Station in New England. Purchases amounting to \$100 delivered by our team twelve miles out, \$50 purchases six miles out.

Anything in this Catalogue that is not perfectly plain, will be cheerfully explained by writing to us. Prompt attention given to all mail orders.
